

AMC Delaware Valley Chapter — Leader in Training (LiT) Checklist

The goal of our Leader-in-Training program is to ensure that LiTs receive the most substantive experience possible while doing co-leads—not just showing up and acting as “sweep.” The first co-lead is mainly to observe and learn from the leader. For a first co-lead, many items on this list will be marked Not Applicable (N/A). The final co-lead includes many more responsibilities, please see the list below.

Send the completed form to the applicable Activity Chair, AND to the Leadership Chair
